

Dear Parents and Students,

Welcome to a new school year! My name is Ms. Lynch and I am so excited to be your child's Pre-K teacher this coming school year! So many great things happen during the Pre-K school year, and I am excited to work with your child to help them discover a love for learning. Pre-K is such a wonderful time of exploration and growth. My objectives in Pre-K are to help better prepare your child emotionally, socially, and academically in a positive and nurturing environment.

This will be my second year teaching at Academy of St. Joseph and I am so proud to be part of this exceptional community. Prior to working here, I taught first grade for eight years at St. Stephen of Hungary School. I attended Fordham University, where I earned my Master's Degree in Early Childhood Special Education. I have a passion for teaching and have a reputation for clearing pathways of success for each child. I am confident your child will thrive this year!

It is important to me that I get to know your child so I can help them have a successful year. I kindly ask that you write me a short letter about your child with their likes/dislikes and anything you think might be useful for me to know. Please bring this letter on the first day of school. Please also find the summer project as well as some suggestions attached to this letter.

Thank you for entrusting me with your precious child. I look forward to learning more about you and sharing amazing experiences together this year. I am reachable via email should you have any questions or concerns. Have a wonderful summer and see you soon!

Warm Regards,  
Ms. Lynch
